

ART SPOTTIDINGS

Dear HLS 1st-6th grade families,

The 1st grade students have finished their sojourn among the ancient Egyptians. They produced both cartouches (a name plate) and self-portraits in the style of the ancient Egyptian artists. Some samples of their wonderful work is below.

The 2nd-6th grade students continue to learn about art in the Medieval Era. After completing illuminated manuscripts, they are now studying the art of heraldry. Each student is designing an individual coat of arms, some of them quite elaborate. The next issue of Art Spot Tidings will showcase some of their excellent artwork.
