

Supply Lists

General Primary School Supplies

- Backpacks: Students may carry any kind of backpack they choose (no backpacks with rollers or character backpacks, please). Since primary students do not bring home textbooks every night, it need not be large. In fact, the larger ones, particularly the ones with wheels, are heavier than the contents and much more cumbersome to carry up and down stairs.
- Labels: Label your child's art box with his first and last name. Watercolors, scissors, and erasers can be marked with initials. No other items need to be labeled.
- Some supplies will be provided by the school, such as journals, homework folders, pencil sharpeners and whiteboards. Do not bring handheld sharpeners.
- Please bring your supplies on Meet the Teacher Day to avoid having so much to carry on the first day. The art box should be packed with unwrapped crayons, scissors, colored pencils and erasers. All other supplies will be collected as "community supplies".
- Art boxes should be no larger than size specified. Tables and cubbies are small! Please do not decorate boxes with sticker or other objects.
- Please do not send extra supplies that are not listed.
