

Highlands Latin School  
**HAYRIDE**

Meet other HLS families for nature walks, hayrides, delicious food...and FUN!

**Saturday, October 12<sup>th</sup> from 12 noon until 5:00**

At the Lowe Family Farm in Bardstown (Directions on back)

- We will begin eating lunch at 12:30
- Hayrides from 1-3PM
- Self guided nature walks throughout the day
- Haystacks for climbing, kickball, ultimate Frisbee throughout the day.
- Clean up begins at 4:00. *Please bring a large garbage bag and plan on taking a bag of trash home for disposal.*

**WHAT TO BRING:** For safety purposes, wear blue jeans and sturdy shoes—no sandals and shorts please. Bring lawn chairs or blankets, two six packs of water, soda or juice (double enough for your family!), a large plastic garbage bag, plus the items assigned for your child’s grade level. You may also want to bring bug spray, Frisbees, balls...the things that make a hayride fun. *No pets, please.*

**An important reminder:** The Annual HLS Hayride is fun time for the whole family. **To ensure that it remains fun and safe, parents must be responsible for their children at all times.** It is easy to get caught up in conversation and easy for our little ones to wander into dangerous situations. At the farm, surrounded by woods, rocky slopes, and plenty of activity, it is more important than ever that we keep a watchful eye on our young children. We are asking that a parent accompany children in grades 5 and under on the tractor- pulled hayrides and on all nature hikes. Thanks for your help! ALSO, for you city folk, remember that a genuine, crescent-moon-in-the-door outhouse is provided for your convenience...and that’s all!
