

3rd Annual HLS Red Cross Blood Drive

Monday, February 2, from 2-7 pm
HLS Spring Meadows Campus
10901 Shelbyville Road, Louisville, KY 40243

Dear Parents,

Your help is needed to make our blood drive a success! If you are able and willing to donate blood, and/or know someone else you could recruit, please consider doing so. Your child will be bringing home a sign-up sheet to help in donor recruitment, but below you will find directions for signing up online which you may forward to anyone you may be able to recruit. **Our goal is a minimum of 50 successful blood donations.**

- All donors are required to present a photo ID in order to give blood.
- 16-yr-olds need to bring a signed parental consent (available online or at the drive.)
- While you don't have to sign up ahead of time, doing so will enable you to choose a time that's best for you, and will minimize your wait time on the day of the blood drive.

To sign up for an appointment time online:

- Go to www.redcrossblood.org
- In the red or blue search box towards the top right of the screen **type in 40243** to search for our drive.
- You will need to scroll through a few pages on the left of the screen to get to our drive date, which is February 2.
- Click on the "Highlands Latin School" drive listed on February 2.
- Follow the directions to sign up. You will be directed to set up an account if you don't already have one. After signing in with your username and password, you will be taken to the appointment page.

To sign up by phone:

- **Call 1-800-GIVELIFE (1-800-448-3543)** and tell them you want to donate at the Highlands Latin School drive on February 2, at 10901 Shelbyville Road, Louisville, KY 40243.

Thank you for your gift of life!
Each unit of blood collected can save up to 3 lives!
