

Name Symmetry

Juliet said that a rose by any other name would smell as sweet, but HLS fifth and sixth grade students found out that a name can be a fun exercise in symmetry. Using the symmetry of their own names as a starting point each student created a whimsical drawing. (Hint: Try looking at each drawing sideways.)

Sophie Harris, 5th Grade

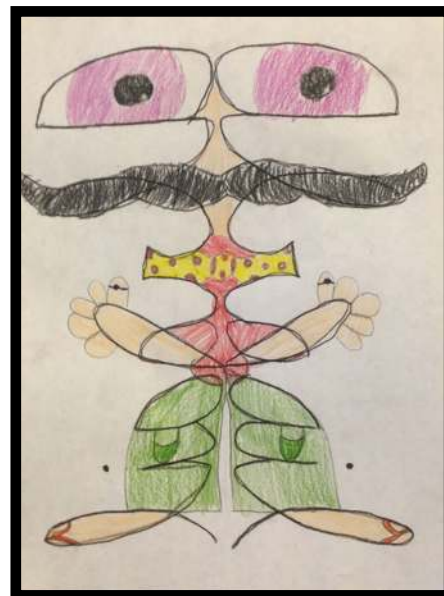

Lilly Luse, 6th Grade

Ann Driggs, 6th Grade

Ryan O'Dea, 6th Grade

Abigail Bitner, 6th Grade

Leslie Monhollen, 6th Grade
