ART SPOT Snap Shots

Rococo Room

Leaving the heavy, intense visual style of the Baroque period for the light, carefree style of Rococo, the fourth graders designed a room where the affluent of the period might enjoy a concert, ball, or poetry reading. The interior design of the period was characterized by curved lines, flourishes, and pastel colors.

Myla Pryor, 4th Grade

Chloe Plummer, 4th Grade

Eli Robson, 4th Grade

Aubrey Colburn, 4th Grade
