2024-2025 UNIFORM GUIDE

Please label your students' clothing, including outerwear.

Please note:

- Repeated uniform infractions will result in consequences. Please see the Parent Handbook for further information.
- Please remember that our uniform guidelines extend to all school sponsored events.
- There is a Uniform Store at HLS where all HLS-logo uniform items may be purchased. The Uniform Store is located in Cooke Hall, and is open M-F, from 8am to 4pm. It is self-service. You may also order Cottage School uniform items [ONLINE](#).
- We have displayed items **with** and **without** the HLS logo to provide visual aids. You may purchase HLS-branded uniform items, but they are **not required**. You may also mix from the options (gray skirt with HLS-logo cardigan).
- We do not require specific brands. You may purchase items where you wish.
- Fabric of clothing (wool or cotton) is your choice.
- [Spirit Wear](#) is available for purchase. Grades 7-12 may not wear Spirit Wear in the classrooms. Uniform sweaters and blazers should provide students with all necessary outerwear options. No hoodies.
- Students in PE will be provided with a list of appropriate athletic attire.

General Guidelines:

- Shirts must be tucked in. Undershirts should be white.
- **Please remember that hair, makeup (girls 7-12), and accessories are considered part of the dress code. Makeup should be natural looking and conservative.**
- Girls' hair should be neat and out of their eyes.
- Boys' hair should be neatly groomed, above mid-ear, off the face, and at least 1" off the collar. Haircuts should be conservative.
- Hair should not be dyed an unnatural color.
- Accessories should be kept to a minimum (simple earrings, necklaces, or non-electronic watches). Do not accessorize the school uniform (no added belt).
- No hats of any kind in the classroom.
- **Please note that a page illustrating acceptable shoes is at the back of this guide.** Parents and older students should look at this carefully.
- No leggings, leg warmers, or pants should be worn under skirts. Fleece lined tights are recommended for the coldest winter weather. Questions should be directed to HLCS administration.
